

# Rights and Responsibilities

## Foundation Studies

### Who is the course for?

This course is for adults with learning difficulties who want to learn or improve their knowledge of rights and responsibilities in everyday life whilst improving literacy skills.

### What does the course aim to do?

The course enables you to develop your knowledge of your Rights and Responsibilities that are needed in everyday life whilst improving literacy skills. Tutors will give you the opportunity and support to identify what skills you need to work on and help you to make progress by achieving your targets.

### What will be covered?

Skills and knowledge that will help your independent skills in the community. You will learn about your personal rights and responsibilities e.g. the law, assertiveness and entitlements.

### What are the final qualifications?

You will receive a course certificate indicating the literacy skills you have achieved.

### How will I be assessed?

You will set yourself literacy targets with the tutors and collect evidence to show that you have achieved those targets. Assessment is continuous throughout the course.

### What facilities will be provided?

All facilities will be provided.

### Will I have to study at home?

No

### Are there any additional costs?

Occasional minimal costs may occur for some projects.

### What course can I do next?

The College offers a range of courses in Foundation Studies part-time programme and these are advertised in the college Part-time directory. There are other **Independent Living Skills** courses and courses for **Work Skills** which aim to improve your numeracy or literacy. **Investigating Recreation and Leisure courses** are also offered to help you develop hobbies and interests.
