

I would like to register for a Carers Emergency Card, please send me a registration form.

My Name:

My address:

Postcode: _____

Phone No: _____

Please return to:

Department of Community Services
Carer Emergency Card Co-ordinator
1a Mills Way
Boscombe Down Business Park
Amesbury SALISBURY
Wiltshire SP4 7RX

What do I need to do?

- We will send you a registration form. If you need help to fill it out ring the - Carers Emergency Card, Co-Ordinator on 0800 066 5068.
- Return the completed form to Carers Emergency Card Co-ordinator.
- You will receive a card with an identification number. Always carry the card with you. It needs to be one of the first things that anyone who comes to your assistance sees or finds.
- Inform the CareConnect (telephone number on card) if there are any changes to the registration form.
- Tell your nominated contacts that you have given their details to the CareConnect Service and they may be contacted if you have an emergency or accident.

Carers Emergency Card Scheme

For people who care for someone who depends on them because of illness or disability

For further details please telephone
0800 066 5068

Do you worry what would happen to the person you look after if you were taken ill and unable to tell anyone that someone depends on you? If your answer is yes, the Carers Emergency Card may provide you with re-assurance.

What is a Carers Emergency Card?

The Carers Emergency Card will identify you as a carer in the event of an accident or emergency. It is a credit card size so it will fit in a wallet or purse. The card only has your unique PIN number and contact details for the Carers Emergency Scheme. No personal information is recorded on the card.

How will the Carers Emergency Card help me?

It will give you peace of mind. You can be less anxious about going out and leaving the person you care for alone at home. If you have an accident or suddenly fall ill, anyone finding the card (for example, emergency services staff) will know you are a carer and be able to contact the 24 hour emergency response service.

How does the scheme work?

You can register with the scheme by completing an application form. This gives us information about you and the person you care for, and the names of people who can be contacted in the event of an emergency and who have keys to the home of the person you care for. This information is held by CareConnect, the Emergency Response Service. All your information is stored confidentially and is only accessed in the event of an emergency.

If CareConnect receives a call that you have had an accident they will:

- Contact the people you have nominated to let them know what has happened.
- If they cannot reach your contacts they will phone social care services to provide support for the person you care for.
- Contact the person you care for and inform them what has happened if that is appropriate.

What if I am unable to provide any emergency contacts?

You can still register for the scheme and Care Connect will automatically call Social Care Services to make arrangements in an emergency.

What are my responsibilities?

You must make sure that your named contacts have agreed to be nominated.

You must discuss your emergency plans with you contacts. They should know the person you care for, how much help and support they need as well as show to get into the house

You must let us know about any changes in your circumstances and those of your named contacts.

How much does it cost?

The scheme is free to carers in Wiltshire.
