

# The Future of Local Partnership Board Meetings

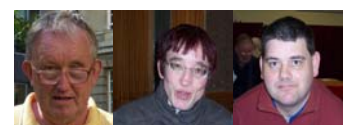

## Who should be on the Local Partnership Board?

There should be no more than 20 people on the Board.

This is the list of people that we talked about;

- Chair – Sue Redmond - Director of Community Services
- Co-chair – David Martin - Chair of Wiltshire People First
- No more than 3 people from each of the 4 local groups – 1 Service User, 1 Family Carer and one other person. (12) Each person from the local group could have someone else to go to the meetings in their place if they cannot go.
- 1 person from Open Minds/Salisbury Independent Self Advocacy Group
- Someone from the PCT
- 1 politician like Judy Seager

- Head of Commissioning for Learning Disabilities – Phil Powell

- Head of Learning Disabilities – Rhonda Jenkins

- Divisional Support Officer – Julia Davey

There would also be sub-groups for things like Health, Housing, and Jobs.

- The Local Partnership Board will meet 4 times a year

- There will also be 2 or 3 conferences each year.

- We should have Service User Forums, run by Wiltshire People First. They will meet between the conferences so there could be 4 forums in a year.

## How the meetings are run

The meetings will be smaller with clearer ideas of what we need to achieve.

They will be run by Wiltshire People First

There will be pre-meetings between Sue and the co-chair, before the Partnership Board meetings.

We will use red/green, stop/go cards

We need to decide how long the meetings will be and where in the County they need to happen.

## Other ideas

Keep the newsletters going so that more people know what is happening.

Have smaller groups that do the work on the big issues and report back to the Local Partnership Board.
