

Betty Williams Awards 2017

These awards are presented in memory of the late Betty Williams, who managed the Mencap Shop in Catherine Street in Salisbury for over twenty years. Presentations are made at the South Wilts Mencap AGM in April, by Betty Williams' daughter.

Now we need your help to choose the right people to receive these awards to be presented at our AGM on Tuesday 10 April 2018

AWARD 1 is for someone with a learning disability who made real progress in their personal ability or independence during 2017

AWARD 2 is for an organisation that has “travelled that extra mile” to help people with learning disabilities to enjoy life more or develop their abilities

A small Committee will consider the nominations - of course all their discussions are completely confidential.

Please take two minutes to tell us who YOU think deserves these awards this year by filling in the simple form overleaf.

NOMINATIONS FOR THE BETTY WILLIAMS AWARDS 2017

(you can nominate for either one or both of the Awards)

I would like to nominate for a Betty Williams Award as a person with learning disability who has made good progress in the last year

Please tell us why you think they deserve the Award
